## BUBBLES

- Bubbles are a group who can mix together but who cannot mix with another bubble. They are identified as follows:
  - **Team**
    - All Riders
    - National Federation staff
    - We recommend each team to form their own bubble
  - **Media**
    - Photography personnel
    - Written media
    - Social media
  - **Local Organising Committee(LOC)**
    - Staff of the LOC
    - Volunteers
    - Services
  - **UEC**
    - UEC will also separate into smaller functional bubbles.
    - Commissaires
    - Timing Staff
    - UEC Staff
    - ITA Staff
    - Limited LOC staff (e.g., Rider Confirmation)
  - **Host TV**
    - TV will also separate into smaller functional bubbles.

Bubbles must keep separated wherever possible and any interaction must respect social distancing and use of masks.

**The priority at all times is given to the Team bubble.**

## RIDERS' CONFIRMATION AT WELCOME CENTER

- Limited number of people in the room at the same time.
- Only one nation/registered team to be in the room at any time.
- Only one person per nation/registered team is allowed to complete;
  - Self-declarations for nation

## VENUE ORGANIZATION

The venue will be divided into three areas (see ANNEX 1 – Venue map).

The passage between areas is not allowed, with the exception of the passage of athletes between the yellow and green zones.

- **GREEN ZONE (track and starting grid) athletes, competition judges, medical staff and track staff members restricted access.**

Inside this area it is mandatory wearing a face mask (KN95 is suitable) except the riders involved in competition

- **YELLOW ZONE (team tents) athletes and team staff only restricted access.**

In this zone a fenced tent area will be provided for each team (National team, ecc) in order to protect and guarantee the integrity of the protecting bubbles.

**Team staff will have to manage both challenge and championship athletes as no one else can enter the yellow zone.**

- Only riders and team staff are allowed in the team area.
- No media are allowed in the team area.
- Teams that have purchased a tent, will be provided an area in Team Area 1, roped off to maintain distance.
- Teams without a tent, will be provided with a roped off area for their use in Team Area 2.
- Riders should remain in the areas that are allocated for their team only.

**Riders who are not directly involved in race activities must remain in the team tent, even between the motos and the different stages of the race.**

**It is not allowed to stay inside the yellow area after the end of the competition.** Riders who finished the race have to leave the event site.

- **WHITE ZONE (grand stand) accompanying persons only restricted access.**

Access to this area will be allowed only to 1 for each rider

Only limited seating will be available.

**Access to this area do not will be allowed to riders, as well as their bike.**

## EVENT OPERATIONS

- Under no circumstances are Media allowed to access the team area (Yellow Zone).
- Media are not allowed inside the Podium area.
- Media will have designated times on the track and within a designated area only.
- Any Media outside of the times/locations allocated could have their accreditation removed.

## RECOMMENDATIONS FOR FEDERATIONS & TEAMS

- Create and adhere to your own team bubble.
- Minimise contact with other bubbles wherever possible.
- All media requests you receive and any casual contact with media should be managed appropriately. (Never in the Team Areas)
- Consider any rider outside your Nation or BMX Team as a separate bubble and manage any contact appropriately.
- Expect to be asked for contact tracing information by service-providers and provide this accurately.

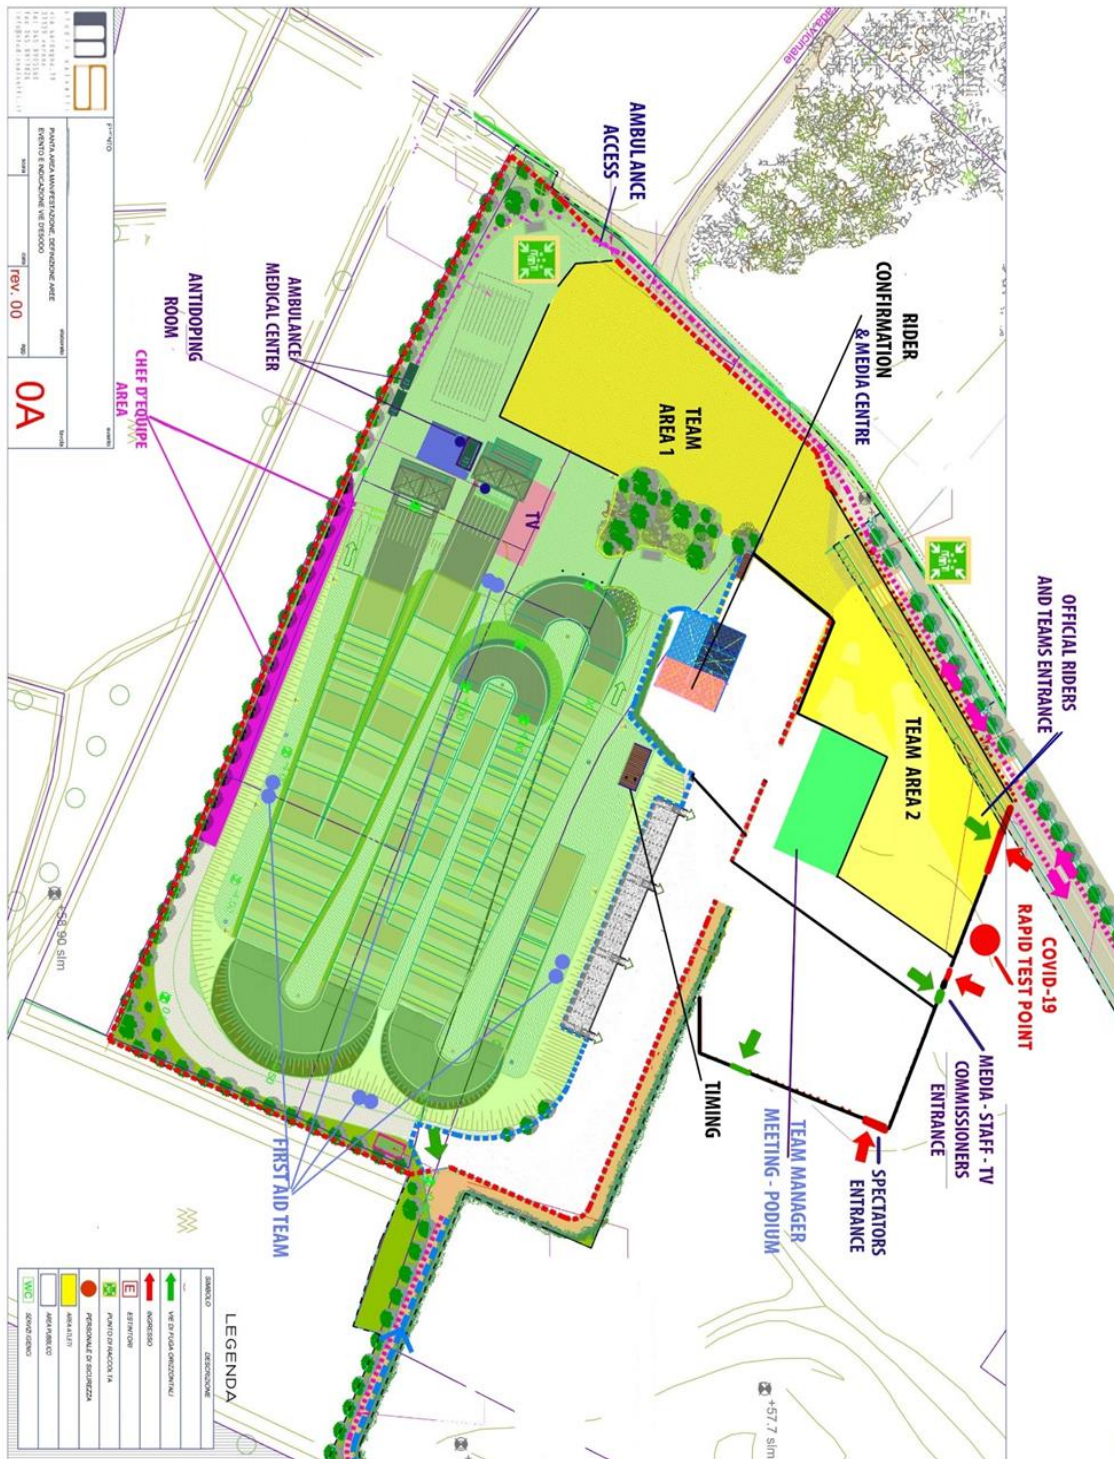

## RECOMMENDATIONS FOR RIDERS

- Avoid signing autographs and taking selfies with others outside your bubble.
- Wear a mask unless on the track
- Continue to wear a mask until at least call-up starts.
- Only agree to a media interview if the interviewer is distancing & taking appropriate hygiene measures.

### **START LISTS / RESULTS**
